Academic Record

Fellow American Academy of Pediatrics	:	2013 American Academy of Pediatrics
Fellow Royal College of Pediatrics and Child Health	:	2012 Royal College of Pediatrics and Child Health, UK
Fellow of Royal College Of Physicians, London	:	2012 Royal College of Physicians, London
Fellow of Royal College of Physicians and Surgeons,	:	2010 Royal College of Physicians and Surgeons, Glasgow Galsgow
Fellow of Indian Academy of Pediatrics	:	2010 Indian Academy of Pediatrics
Fellow of International Medical Sciences Academy	:	2009 International Medical Sciences Academy
Fellowship in Pediatric Gastroenterology, and Hepatology	:	1995 - 1997 Institute of Child Health, University of Hepatology and Nutrition Birmingham and Birmingham Children's Hospital, U.K.
Post graduation in Pediatrics	:	1992 - 1995 MD in Pediatric Medicine from Lady Hardinge Medical College associated Kalawati Saran Children's Hospital, New Delhi
House Job	:	January 1992 - June 1992 Family Welfare Centre (Male) at LNJP Hospital, New Delhi which is a WHO Centre of Excellence for No Scalpel Vasectomy and Microsurgery
Compulsory Rotatory Internship	:	January 1991 - December 1991 Maulana Azad Medical College associated LNJP Hospital and Guru Nanak Eye Centre, New Delhi
MBBS	:	July 1986 - December 1990 Maulana Azad Medical College, New Delhi.

Schooling

:

1974 - 1980

Burn Hall School, Srinagar,
Jammu and Kashmir

1980 - 1984

Central School, Cantt Srinagar

1984 - 1986

Central School, Andrews Ganj
New Delhi

Work Experience

Current Position

- Group Medical Director, Apollo Hospitals Group since September 2005
- President, Global Association of Physicians of Indian Origin (GAPIO) since January 2020
- Honorary Clinical Professor at Macquarie University, Sydney, Australia since June 2015
- Senior Consultant Pediatric Gastroenterologist and Hepatologist, Indraprastha Apollo Hospital, New Delhi since 1997

Current Responsibilities

Group Medical Director, Apollo Hospitals Group

Apollo Hospitals Group has 73 hospitals, more than 100 clinics with a presence in quaternary care, tertiary care, secondary care, primary care, IT, education, research, project consultancy, pharmacy retailing and telehealth.

Responsible for all clinical services including launch of new services, recruitment, credentialing, privileging of consultants, outcome measurement, patient safety and quality improvement. Oversight of clinical governance through 15 multidisciplinary committees including:

Ethics Committee
Clinical Audit Committee
Medical Audit Committee
Credential Committee
Appraisal Committee
OT Committee
Drug and Therapeutics Committee
Transfusion Committee
Death Review Committee
Infection Control Committee
Quality Steering Committee
Ethics Committee for Clinical Trials
Medical Records Committee
Code Blue Committee

Clinical Excellence and Quality Improvement

Guiding the quality improvement initiative for the Group – 8 Apollo Hospitals have been accredited by Joint Commission International (JCI), USA, the largest by an private hospital group in the region

Helped create and implement:

- Apollo Clinical Excellence (ACE@25) - a clinical balanced scorecard which has been written up as a case study for MBA Programs
- The Apollo Standards of Clinical Care (TASCC)
- Apollo Quality Program (AQP)
- Apollo Incident Reporting System (AIRS), Apollo Critical Policies, Plans and Procedures (ACPPP)
- Apollo Mortality Review (AMR)

Apollo Clinical Excellence (ACE@25)

ACE@25 is a balanced clinical scorecard which was launched 2009. ACE @ 25 incorporates 25 clinical parameters which are benchmarked against the world's best published outcomes. For example, the CABG survival figures are bench marked with Cleveland Clinic (99.4 %). ACE @ 25 was published as a case study by the Ivey School of Business, Canada, presented at the ISQUA Annual Conference in Hong Kong and won the FICCI Excellence Award in the category of Addressing Industry Issues in 2011. ACE @25 has undergone four revisions and is now referred to as ACE 1.

The Apollo Standards of Clinical Care (TASCC)

TASCC was implemented across all Apollo Hospitals in April 2012. It encompasses six initiatives - Clinical balanced scorecards, ACE 1 and ACE 2, Apollo Quality Program (AQP), Apollo Mortality Review (AMR), Apollo Incident Reporting System (AIRS) and Apollo Critical Policies Plans and Procedures (ACPPP). The TASCC monthly scorecard comprises of the scores for each of these initiatives plotted as a hexagon. The target each month, for every hospital, is to achieve the perfect hexagon.

Apollo Quality Program (AQP)

To bring uniformity in the quality of care across the hospitals, the Apollo Quality Program was initiated. The Apollo Quality Program includes implementation of standardized methodology for Clinical Handovers, International Patient Safety Goals, Surgical Care Improvement and Zero Medication Errors.

Measured as a dashboard of 20 parameters, it has resulted in improvement in patient safety processes across Apollo Hospitals and has been published in the official journal of the International Hospitals Federation.

Apollo Mortality Review (AMR)

The mortality review in all Apollo Hospitals has been standardized with trigger criteria, checklists and peer review processes. A structured review of deaths (not just 'unexpected' deaths) helps detect quality issues that would otherwise remain hidden, particularly around every day processes of care.

Apollo Incident Reporting System (AIRS)

AIRS provides a platform of tracking and monitoring of incidents that pose a safety risk to patients and staff including sentinel events.

Apollo Critical Policies, Plans and Procedures (ACPPP)

ACPPP are a set of 25 policies covering clinical care, nursing care, managerial processes and infrastructural requirements like consents, critical test results, disaster management, that have been implemented by all hospitals.

Apollo Quality and Innovation Awards

Conceptualized the annual Apollo Innovation and Quality awards.

The aim of these awards is to promote excellence through sharing of innovative practices in clinical services, finance, operations, environment, community service and human resources across the Group. In 2019, more than 200 nominations were received.

International Congress on Patient Safety (IPSC)

Helped curate the Apollo International Congress on Patient Safety (IPSC) in 2011 which has become the most sought-after annual forum on Patient Safety in Asia.

IPSC is organized annually and attracts faculty and delegates from more than 20 countries. The last congress in 2019 attracted more than 2000 delegates.

IPSC has been privileged to have had the support of knowledge partners such as International Society for Quality in Healthcare (ISQua), Joint Commission International (JCI), World Innovation Summit for Health (WISH), Royal College of Physicians London, the APAC Forum, International Consortium for Health Outcomes Measurement (ICHOM), National Accreditation Board for Hospitals (NABH), Academy of Hospital Administration, Society of Emergency Medicine to name a few.

National and International Awards

Oversight of national and international award programs. In 2019, Apollo Hospitals won 83 International and National awards.

Academics and Research

Academics

Post Graduate Medical Education

Helped expand the academic program from 3 locations to 14 Apollo hospitals accredited by the National Board of Examination (NBE).

With more than 900 trainees undergoing training in 44 specialities and super specialities, 10% of all NBE trainees in India train at Apollo Hospitals.

Apollo Medicine

As Executive Editor, launched Apollo Medicine (ISSN No. 0976-0016), the official journal of the Apollo Group in 2004. The journal is published in collaboration with Wolter in both print and electronic formats.

The journal has a panel of 110 reviewers. It is published quarterly and is distributed to all consultants of the Apollo Hospitals Group, 400 Medical Colleges and various subscribers around the world. Current and all previous issues of the journal can be accessed at www.apollomedicaljournal.net. The journal is indexed on Science Direct.

President, Global Association of Physicians of Indian Origin (GAPIO)

Global Association of Physicians of Indian Origin (GAPIO), a non-profit organization was established in January 2011. The aim of the organization is to bring together 1.4 million physicians of Indian origin in the world on one professional platform. This substantial workforce of physicians is a valuable resource, which can help to mobilize significant developments in the healthcare globally as well as in India.

Expanded the presence of GAPIO to 53 countries. GAPIO members belong to various medical specialties and super specialties which includes several Padma awardees, twenty Dr. B C Roy Awardees, recipients of National and International awards.

Conceived and helped launch The Global Indian Physicians COVID-19 Collaborative and launched it on 11th April 2020 with joint efforts of the American Association of Physicians of Indian Origin (AAPI), the British Association of Physicians of Indian origin (BAPIO), the Canadian Indian Network Society (CINS) and Canadian Association of Physicians of Indian Heritage (CAPIH). Several sessions with participants from 30 countries have been organized including:

Finding Calm in the COVID-19 Chaos with B K Sister Shivani on 18th April, 2020

Navigating the way forward after COVID -19 with Sadhguru on 6th June, 2020

Compassion in Medical Practice with His Holiness the Dalai Lama on 23rd July, 2020

Initiated 15 programs:

- Advocacy - conceptualised 6 position papers that shall have a far reaching impact on graduate medical, post graduate medical, nursing, allied health education in India
- Instituted six categories of awards to recognise global Indian doctors
- Developed clinical knowledge, leadership and mentorship programs
- Established innovation and mind body and soul equilibrium programs

Professorship

Appointed as an Honorary Clinical Professor at Macquarie University, Sydney in Australia in 2015.

Senior Consultant Pediatric Gastroenterology and Hepatology

Appointed as a Senior Consultant at the age of 29, the youngest ever Senior Consultant in the Apollo Group in 1997. Established the division of paediatric gastroenterology and hepatology, the first in the private sector in India at Apollo Hospital, Delhi in 1997.

Created the first nationally approved 2-year training fellowship (Fellowship of NBE) in India in 2014, the first annual hands on pediatric endoscopy course in South Asia in 2014 and the first annual training program for pediatric gastroenterology hepatology and nutrition in India in 2011.

Helped set up the first successful pediatric liver transplant program in India in 1998 at Apollo Hospitals, Delhi. The Apollo Transplant Program has been the busiest solid organ transplant program in the world since 2012. The Apollo Transplant Program has performed more than 3800 liver transplants out of which 426 have been in children, the highest in India.

Past Positions

- **Adjunct Professor of Pediatrics, School of Medicine, University of Queensland, Brisbane, Australia** since June 2009 – June 2015
- **Member of the Institute Body (IB) of Postgraduate Institute of Medical Education and Research, (PGIMER) Chandigarh, 2009 - 2014**
IB is the highest decision making body of PGIMER headed by the Union Cabinet Minister for Health. PGIMER has consistently been ranked in the top 3 public academic health institutes in India.
- **Director Medical Services, Indraprastha Apollo Hospital, New Delhi, 2003 - 2005**
Credited with coordinating the first international accreditation of a hospital in India in 2005 by JCI. Apollo Delhi was only the 6th accredited hospital in Asia at the time.

Recruited key specialists and expanded clinical services which resulted in bed occupancy going up from 338 to 486 (43% increase).
- **Joint Commission International Physician Surveyor 2008 – 2010**
Joint Commission International (JCI) based at Chicago is considered as the gold standard in international healthcare accreditation.
As a physician surveyor, responsible for surveys of hospitals in Asia, Europe and Latin America for JCI accreditation.
Only Asian physician surveyor in the group of 14 international physician surveyors.
- **Medical Advisor and Director Medical Services Designate, Indraprastha Apollo Hospital, November 2002 – February 2003**
- **Fellowship in Pediatric Gastroenterology Hepatology and Nutrition**
In September 1995, commenced training at the Institute of Child Health, University of Birmingham and the Birmingham Children's Hospital. The Institute of Child Health is widely regarded as one of the best centers providing comprehensive gastroenterology services and nutritional care in Europe. The Liver Unit at the Birmingham Children's Hospital is a well-established center of excellence providing tertiary level service in hepatology including a liver and small bowel transplantation service. More than 500 liver transplants had been performed there and this was the only unit in the U.K. performing small bowel transplantation in 1995.
This Fellowship combined training in clinical gastroenterology, hepatology and nutrition, acquisition of practical skills and research.
- **Post-Graduation in Pediatric Medicine (MD)**
In June 1995 completed a three year post graduate (MD) Pediatric Medicine course at the Lady Hardinge College is associated Kalawati Saran Children's Hospital (KSCH) in New Delhi. KSCH has 350 beds with a 75 bedded Neonatal Unit, a level III Nursery, a Pediatric Intensive Care Unit, specialty clinics in gastroenterology, haematology, oncology, nephrology, neurology and development. KSCH serves as a referral center for whole of north India.

- **House Job**

In the six month house job learnt the technique of No Scalpel Vasectomy and performed 40 such operations independently.

- **Internship**

Rotations through the departments of Medicine, Surgery, Obstetrics and Gynaecology, Pediatrics, Community Medicine, Orthopaedics, Ophthalmology, Otorhinolaryngology and Anaesthesiology during a 12 month period.

Academic and Research Experience

Edited a textbook in Pediatric Gastroenterology and Hepatology and Nutrition, published by Jaypee Brothers and Publishers Ltd. 2015

Executive Editor of Apollo Medicine, the quarterly journal published by the Apollo Hospitals Group

Member of Editorial Board of Indian Journal of Pediatrics

Guest editor of the special **symposium on hospital based nutrition** of the **Indian Journal of Pediatrics 2002; 69(2)**

Guest editor of the special **supplement on Gastroenterology, Hepatology and Nutrition** of the **Indian Journal of Pediatrics 1999; 66: SS1**

Training of DNB students in Pediatric hepatology and gastroenterology

Coordinator for the 4 Working Groups for the **Fourth World Congress of Pediatric Gastroenterology, Hepatology and Nutrition (WCPGHAN 2012) at Taipei, Taiwan in November 2012.**

Commonwealth representative on the 8 member International Working Group on Liver Transplantation. This position paper was presented at the Third World Congress of Pediatric Gastroenterology, Hepatology and Nutrition held at **Iguassu Falls, Brazil in August 2008.**

Commonwealth representative on the 8 member International Working Group on Acute and Chronic Hepatitis. This group prepared a paper to prioritize research activities in this field. This position paper was presented at the Second World Congress of Pediatric Gastroenterology, Hepatology and Nutrition held at **Paris in July 2004.**

Asian representative on the 8 member International Working Group on Liver Transplantation. This group prepared a paper to prioritize research activities in liver transplantation in the new millennium. This paper was presented at the First World Congress of Pediatric Gastroenterology, Hepatology and Nutrition held at **Boston in August, 2000.**

Invited Lectures - International

1.	WHO Global Consultation: "A Decade for Patient Safety 2020-2030", Formulating the Global Patient Safety Action Plan, 24 –26 February 2020, Geneva , Switzerland
2.	Transforming Healthcare - The Apollo Odyssey, MindShare 2020, Intermountain Healthcare, 3-4 February 2020 Deer Valley, Utah , USA.
3.	Finding the Leader Within, 2nd International Patient Experience Symposium , 16 – 19 November 2019, Abu Dhabi .
4.	Paper Session: Investing on people for increased efficiency and outcomes, IHF World Hospital Congress , 6-9 November 2019, Oman .
5.	Transforming Healthcare, Clinical Performance Outcome, KPJ Healthcare Conference , Berhad, 11-12 October 2019, Selangor , Malaysia.
6.	How to develop leaders from within the organization to ensure succession, Hospital Management Asia 2019 (HMA) , 10 – 13 September, Hanoi , Vietnam.
7.	Proud to be Indian, American Association of Physicians of Indian Origin, July 2019, Atlanta , USA.
8.	Mid Year Forum Global Association of Physicians of Indian Origin (GAPIO) , 4 – 5 May 2019, Barbados and Trinidad , USA
9.	Transforming Healthcare – "The Apollo Odyssey, The 10th Korea Healthcare Congress 2019 (KHC)", 2- 6 April 2019, Seoul , Korea.
10.	Quality in Healthcare, IFC Global Private Healthcare Conference, 27 – 28 January 2019 , Miami , Florida, USA.
11.	Pediatric liver transplantation: East meets West, Asian Pan-Pacific Society for Pediatric Gastroenterology, Hepatology and Nutrition (APPSPGHAN), 23 – 25 October 2018, Bangkok , Thailand.
12.	Leader Within You, Hospital Management Asia 2018 (HMA) , 12 – 15 September, Bangkok , Thailand.
13.	Liver Transplantation in India, Philippine General Hospital , 23- 25 August 2018, Manila , Philippines.
14.	Physicians and Leadership, Canada India Networking Initiative (CINI) 2018, 8 June 2018, Surrey , Canada.
15.	Mid Year Forum Global Association of Physicians of Indian Origin (GAPIO) and ii global cancer leaders' summit, 8 – 10 June 2018, Surrey , Canada.
16.	The Apollo Story, MyHealth Clinics, 2-5 April 2018, Toronto , Canada.
17.	Transforming Health through IT, The 7th HQSS Healthcare Quality Forum 2018 , 22-24 March 2018, Singapore .
18.	Liver Transplantation in India, Philippine General Hospital , 21- 23 November 2017, Manila , Philippines.
19.	Approach to Neonatal Cholestasis, Shishu Hospital Dhaka , 15 November 2017, Dhaka , Bangladesh.
20.	Newer Diagnostic Modalities in Gastroenterology and Hepatology & 20 Years of Liver Transplantation, IAP Sharjah , 20- 21 October 2017, Sharjah , UAE.
21.	Leader Within You, Hospital Management Asia 2017 (HMA) , 23 – 24 August 2017, Manila , Philippines.
22.	"How to communicate with young people in an era of constant noise" The Global Education & Skills Forum , 18 March, Dubai , UAE.
23.	7th Korea Healthcare Congress 2016, (KHA) Apollo Hospitals Group and Healthcare Innovation, 17 – 18 2016, Seoul , Korea.
24.	World Congress of Pediatric Gastroenterology, Hepatology and Nutrition (WCPGHAN 2016), Global Perspective on ALF/ Concurrent session vii living related transplantation, 5- 8 October 2016, Montreal , Canada.
25.	International Forum on Quality and Safety in Healthcare: Asia , Characteristics of High Performing Organizations, 25 – 28 September 2016, Singapore .
26.	The APAC Forum , Apollo Hospital Leadership characteristics for creating high performing organizations', 12 – 14 September 2016, Sydney , Australia.
27.	How Hospitals can Attract, Retrain and Retain the Right Talents, Hospital Management Asia 2015 (HMA) , 5-9 September 2016, Ho Chi Minh City , Vietnam.
28.	Seven ways to ensure quality services and improvement beyond accreditation, Hospital Management Asia 2015 (HMA) , 5-9 September 2016, Ho Chi Minh City , Vietnam.
29.	Ensuring patient safety but at what cost?, Hospital Management Asia 2015 (HMA) , 5-9 September 2016, Ho Chi Minh City , Vietnam.

30.	Apollo International Clinical Nutrition Update AICNU 2016 Nutritional issues to be addressed in Liver Transplantation – Pre – Peri and Post Operative Phase, 13 – 14 August 2016, Colombo , Srilanka.
31.	Annual Congress of Malaysian Paediatric Association , Acute liver failure in children: a medical emergency, August 4-6, 2016, Malacca , Malaysia.
32.	Annual Congress of Malaysian Paediatric Association , Liver transplantation in children: experience from a living related donor program, August 4-6, 2016, Malacca , Malaysia.
33.	Annual Congress of Malaysian Paediatric Association , Epidemiology and prevention of hepatitis A in children?, August 4-6, 2016, Malacca , Malaysia .
34.	Mid Year Forum Global Association of Physicians of Indian Origin (GAPIO) and ii global cancer leaders' summit, 4 – 10 July 2016, Moscow .
35.	24th APHM International Healthcare Conference and Exhibition , The Call for Patient Safety, Transparency of Outcomes Reporting in Line with an Efficient Healthcare System, 1 – 3 June 2016, Kuala Lumpur Convention Centre, Malaysia .
36.	Institute of Healthcare Improvement (IHI), Middle East Forum on Quality and Safety in Healthcare , Leadership characteristics for creating high performing organizations, 13 – 15 May 2016, Doha , Qatar.
37.	International Consortium for Health Outcomes Measurement (ICHOM) , 16- 21April 2016, London.
38.	The International Forum on Quality and Safety in Healthcare , 'Developing a Flexible & Sustainable Workforce: Auto resource enabler,12- 15 April 2016, Gothenberg, Sweden .
39.	National University Hospital Quality and Safety Week , Safety at what cost, 19 – 21 November 2015, Singapore .
40.	World Health Summit 2015 , Patient Safety – Beyond Accreditation, 11 – 13 October 2015, Berlin , Germany.
41.	The APAC Forum , Characteristics of High Performing Hospitals, 22 – 25 September 2015, Auckland , New Zealand.
42.	The Apollo Story, 1 September 2015, Phnom Penh , Cambodia.
43.	Hospital Management and Administration, Time Tested Management for Hospital Managers, Hospital Management Asia 2015 , 1-5 September 2015, Yangon , Myanmar.
44.	Hospital Management and Administration, Characteristics of High Performing Hospitals, Hospital Management Asia 2015 , 1-5 September 2015, Yangon , Myanmar.
45.	Liver transplant the past, present and the future, Elite Pediatric GI Workshop , 26 – 30 May 2015, Dubai , UAE.
46.	Apollo Story, Harvard Business School and Harvard Medical School's Forum on Health Care Innovation, April 15- 16, 2015, Boston , USA.
47.	Is there a need for Quality Improvement, Indian Medical Association, 10 – 11 April, Kathmandu, Nepal.
48.	ACE @25, Royal College of physicians Annual Conference – Delivering the future Hospital, 12 – 13 March 2015, Harrogate , UK.
49.	15 years of successful pediatric liver transplantation in India, 15th Annual Scientific meeting of The Pakistan Society of Hepatology (PSH) , 20-22nd February, Karachi , Pakistan.
50.	15 years of successful pediatric liver transplantation in India, 22nd Biennial International Pediatric Conference organized by Pakistan Paediatric Association , 20- 23 November 2014, Lahore , Pakistan.
51.	15 years of successful pediatric liver transplantation in India, International Consortium for Health Outcomes Measurement (ICHOM) , 11- 15 November 2014, Boston , USA.
52.	Journey of pediatric liver transplantation in India, Joint Congress of Pediatric Gastro Enterology, Hepatology and Nutrition , 29 – 31 October 2014, Marrakech , Morocco.
53.	Standardization of Patient Safety and Quality across 50 hospitals, Joint Commission International CEO Forum , 2 nd September 2014, Melbourne .
54.	Hospital Management and Administration, Monitoring the impact of hospital accreditation - and beyond, Hospital Management Asia 2014 , 26-30 September 2014 CEBU , Philippines.
55.	Use of clinical Health Analytics to drive improvement in medicine, Hospital Management Asia 2014 , 26-30 September 2014 CEBU , Philippines.
56.	What every physician needs to know about patient-centered care, Hospital Management Asia 2014 , 26-30 September 2014 CEBU , Philippines.
57.	Liver Transplantation in India, 25th Anniversary of the Liver Unit and 21st Anniversary of Small Bowel Transplantation , Liver Unit, Birmingham Children's Hospital, 16 May 2014, London .
58.	Liver Transplantation in India, Elite Pediatric GI Workshop , 13 – 17 May 2014, Yas Island , UAE.
59.	ACE@25, 19th Annual Int Forum, Quality and Safety in Healthcare , 8 – 9 April 2014, Paris

60.	Liver disease: Autoimmune hepatitis, 13th scientific meeting of the Commonwealth Association of Paediatric Gastroenterology and Nutrition (CAPGAN) , 6-7 December 2013, Colombo , Srilanka.
61.	New Trends & prospect of Global Healthcare, Korean Healthcare Congress , 2013, 13- 15 November 2013, Seoul , Korea.
62.	Global Trend of Hospital Innovation, Korean Healthcare Congress 2013 , 13- 15 November 2013, Seoul , Korea.
63.	Liver transplantation in metabolic liver diseases 13th APPSPGHAN & 40th JSPGHAN , 31October – 3 November, 2013 Tokyo , Japan.
64.	Apollo Accreditation Program (AAP), The International Society for Quality in Health Care's (ISQUA) 30th International Conference , 13 -17 October 2013, Edinburgh .
65.	Debate - How to Develop a Patient Safety Program that is Straightforward, Takes Little Infrastructure and Few Resources, and Benefits Providers as Well as Patients, Hospital Management Asia 2013 , 11-15 September 2013, Bangkok .
66.	Managing a Hospital is much more difficult than Managing a Hotel or Other Service Company, Hospital Management Asia 2013 , 11-15 September 2013, Bangkok .
67.	The Way Forward, Mid Year conference, GAPIO , 5-6 July 2013, Los Angeles , USA.
68.	Updates in nutritional management of children with liver disease/liver failure, XIV Annual Scientific Conference, Kenya Pediatric Association 2013 , 16 – 20 April, Mombasa , Kenya.
69.	15 years of successful liver transplantation in SAARC, Nepal Medical Association 2013 , 2 -3 January 2013, Kathmandu , Nepal.
70.	Pediatric Liver Transplant Today and Tomorrow, Asian Pacific Digestive Week 2012 , 5 - 8 December 2012, Bangkok , Thailand.
71.	Complexities of viral hepatitis, 6th Asian Congress of Pediatric Infectious Diseases , 28 – 1 December 2012, Colombo , Srilanka.
72.	Hepatology and Nutrition, Liver Transplantation in the developing world, 4th World Congress of Pediatric Gastroenterology , 14- 18 November 2012, Taipei , Taiwan.
73.	Lessons from the first successful liver transplant program in SAARC, Bangladesh Society for Pediatric Gastroenterology & Nutrition (BASPGAN) , 5- 7 October 2012, Dhaka .
74.	Something to teach, something to learn: lessons from India, KPMG Global Healthcare Conference , 10 - 12 October 2012, Rome , Italy.
75.	Screen Train Treat Optimize holistic management Prevent Sugar, Global Association of Physicians of Indian Origin GAPIO Mid Year Conference , 20 - 21 July 2012, New Jersey , USA
76.	Debating Globalization, Global India Business Meeting , 24 - 25 June 2012, Madrid , Spain.
77.	Common liver case scenarios in pediatric practice, Institute of Pediatrics , 29-30 May 2012, Tashkent , Uzbekistan.
78.	Liver transplantation in metabolic disorders, The Korean Society of Pediatric Gastroenterology, Hepatology, and Nutrition , 18 - 19 May 2012, Seoul , Korea.
79.	Strategies for sustainable growth and profitability – Where India has come from to become a leading healthcare Centre in the world, East Africa Healthcare Investment Summit 2012 , 17 - 19 April 2012, Kampala .
80.	Lessons from the first successful Pediatric liver transplant programme in India, International Congress of Pediatric Hepatology, Gastroenterology and Nutrition , 21- 22 September 2011, Sharm El Sheikh , Egypt.
81.	ACE @ 25 - The Apollo Clinical Excellence Scorecard Presentation Category, The International Society for Quality in Health Care's (ISQUA) 28th International Conference , 14 -17 September 2011, Hong Kong .
82.	Clinicians Role in Quality: Why and how to involve clinicians in quality management? 10 Principles for the Positive People Hospital, Hospital Management Asia 2011 , 7-8 September 2011, Singapore .
83.	Common liver case scenarios, 21-25 August 2011, Ulaanbaatar , Mongolia.
84.	Common liver case scenarios, 9-10 August 2011, Tashkent , Uzbekistan.
85.	Management of liver Disease and Liver Transplantation in India, Commonwealth Association for Pediatric Gastroenterology and Nutrition (CAPGAN) , 21 -24 July 2011, London , UK.
86.	Management of liver Failure, 15 th Annual Scientific Congress of the Sri Lanka College of Pediatricians, Sri Lanka College of Pediatricians , 27 – 30 July 2011, Colombo , Sri Lanka.
87.	Medical Tourism and Medical Industry in the Asia Pacific, Hospital Authority Convention 2011 , 7-08 June 2011, Hong Kong .
88.	Reverse brain drain – opportunities in India, British Association Of Physicians Of Indian Origin , Annual

	Conference, GAPIO Mid Year conference 1-6 June 2011, London, UK .
89.	Clinical Excellence: The Apollo Experience, BMJ / IHI International Forum on Quality and Safety in Healthcare ('the Forum') , 5-8 April 2011, Amsterdam, Netherlands .
90.	Common liver case scenarios, 23-24 March, Kathmandu, Nepal .
91.	Common liver case scenarios, 16 February 2011, Yangon, Myanmar .
92.	What is Important in Health Tourism Quality or Price? III International Health Tourism Congress , 4-5 December 2010, Istanbul, Turkey .
93.	Integrated Healthcare Delivery Systems, Korean Hospital Association , 3-4 November 2010, Seoul, Korea .
94.	The Apollo Clinical Excellence Journey, World Medical Tourism and Globalhealthcare Congress , 22-24 September 2010, Los Angeles
95.	Dr. Prathap C Reddy Oration, International Medical Sciences Association Conference 2010 September, London, UK .
96.	Creating Hospital Values through Competition, Hospital management Asia 2010 , 19-20 August 2010, Seoul, Korea .
97.	How to plan for the future of a hospital in a period of a great change, Hospital management Asia 2010 , 19-20 August 2010, Seoul, Korea
